Entry-Level Front-End Developer

I am a motivated and determined person with the ability to adapt to any situation and proven ability to acquire knowledge and develop myself as needed. I am looking for an internship position as a Software Developer at Wragby Business Solution and Technologies limited, where I can acquire the necessary skills to excel in my role while seeking to add value to the company in a short period of time.

SKILLS

- Front-End
- HTML
- JS
- JQuery
- Bootstrap
- CSS

EDUCATION

Bachelor of Science, Architecture, November 2021
Major: Architect
Godfrey Okoye University, Enugu
GPA: 3.83

SKILLS SUMMARY

- Excellent communication and interpersonal skills.
- Self-motivated and flexible with work
- Strong commitment and goal-oriented personality.
- Good analytical skills and comprehensive problem-solving abilities.
